## October 1 Chancel Choir Concert Cancelled

After a great deal of prayerful discernment, the difficult decision was made to cancel the Chancel Choir Concert scheduled on October 1. Unfortunately the choir has been hit hard by the most recent variant of the Covid-19 virus. Nearly one-third of the members have been unable to sing in recent days. Instead of performing with reduced numbers, the choir will focus its energy on the celebratory music for our Anniversary Sunday Service on October 15. We apologize for any inconvenience and appreciate your understanding.

## Banned Book Club Initial Gathering

Join us for the first meeting of the Banned Book Club on Thursday, September 28, at 1:30 pm in room 206. Because of its relevance as a "banned book" we will discuss George Orwell's classic novel *1984*. Since its publication in 1949, Orwell's book

has become a literary example of political and dystopian fiction. It is listed as one of the 100 best English-language novels. All are welcome as we discuss the what's and why's of banned books and Orwell's masterpiece.
