Banned Book Club Initial Gathering

Join us for the first meeting of the Banned Book Club on Thursday, September 28, at 1:30 pm in room 206. Because of its relevance as a "banned book" we will discuss George Orwell's classic novel *1984*. Since its publication in 1949, Orwell's book has become a literary example of political and dystopian fiction. It is listed as one of the 100 best English-language novels. All are welcome as we discuss the what's and why's of banned books and Orwell's masterpiece.
