*If you've been in the church over the past week or so, you may have seen that our Cornerstone Project construction is, as Russ has said, "starting to get a bit more real." We've relocated several staff and clergy members to new temporary offices, and you'll see a bit more construction activity and signage for the next few months. We appreciate your patience, as ultimately this is amazing period of growth for University Christian. We will only make the building more welcoming to you, your friends, your neighbors, and your families. [Here's more on where we're at with Cornerstone.](#)*

*We are filming a new "Hard Hat Russ" later today (2/20) actually, but here's the one from the end of 2023 to give you a sense of second- and third-floor updates:*

If you would like a midweek reflection option during Lent, we're also offering that -- and childcare is available. The first one will be tomorrow (Wednesday) evening.

## Estimates Of Giving

At UCC, generosity is a core value. God's abundant blessings in our lives inspire us to share our resources and build God's kingdom here on earth. We invite our members and friends to update your estimate of giving to the ministry of UCC. EOG cards are available in worship or online.
