Celebrating Easter at UCC!

Sign up for our Earth Day Cleanup

In conjunction with the FW Climate Safe Neighborhood Coalition, we are having a trash cleanup event alongside vaccination & health resources and environmental education on site. [Click here to participate.](#)

The UCC Creation Care team is reaching out for interested participants for this year's Earth Day cleanup at Glenwood Park. Last year's Earth Day Cleanup at Glenwood Park had a turnout of 100 people and was part of disposing 3.2 tons of trash in no small part thanks to UCC's dedication to service.

We hope to see you there!

National Faith + Climate Forum 2024

April 16, 2024 | Hosted in your community + live online!

Join the National Faith + Climate Forum on April 16, 2024!

Changes in our climate are increasingly impacting congregations, and clergy and lay leaders, like you, are searching for ways to be part of the solution. Deepen your understanding on how to engage your congregation in creation care, work toward just and equitable solutions, and connect with other faith leaders locally and nationally.

Please contact Maria Sanders at marialtg1n@gmail.com for the details and more information.

SENIOR SUMMIT

FOR 12TH GRADE SENIORS

Where seniors connect with college students to shape their college journey. Ask questions, gain insights, and confidently step into your next chapter!

Mark your calendars! UCC's College Ministry will be holding a **Senior Summit** for all of our high school seniors that have chosen college as the next step on their journey. Senior Summit is an opportunity for Seniors to think more about who they want to be in college, how faith plays into their college experience, and is a chance to talk to current college students about what college has been like for them.

Here's generally what the afternoon will look like:

12:00 - 12:30 pm - Lunch
12:30 - 1:15 pm - DiscoverU: College and You
1:15 - 2:00 pm - College Student Panel Q&A

We're thrilled to introduce this new type of event at UCC and are eager to see you there!
