

Hard Hat Russ - May update

Our Cornerstone Construction project is moving along beautifully. Phase 1 is complete and many of our staff are moving into new offices on the third floor. Watch the latest installment of “Hard Hat Russ” below for more detailed updates about how the construction is progressing.

In the coming weeks, several of our regular access points, including the Rogers Street entrance, will be unavailable until the end of the project. We will make every effort to keep you informed and provide alternate ways for you to get where you need to be for worship, Sunday school, and other ministries. Thank you for your continued patience and flexibility.
