WAYS TO GIVE

Happy 4th of July

In observance of the holiday, the church will be closed Thursday July 4th and Friday July 5th. We hope you have a wonderful holiday and are able to celebrate with family and friends.

Construction Changes This Week - Sanctuary Access from Exterior doors only.

This Sunday the *ONLY* way to enter the Sanctuary will be from the exterior doors. This will be a change from previous weeks. Our golf cart volunteers will be available to help transport you from and to your car on Sundays.

Work on the reception area is still ongoing. If you try to enter from the University Dr. entrance you may find that your normal route for getting around may be changed this week. There is a new temporary wall covering the front lobby and pending successful inspections access will be routed to the North wing or the reception elevator. Stay tuned for more changes.

Due to noise and work in and around the lobby area, our receptionist has been relocated to the third floor. If you need to meet someone in the building during the week, it would be a good idea to *make an appointment* so we can meet you to let you in and help you navigate where you need to be.

In addition, be aware that the Rogers Street entrance is closed and no longer available! For the next few months, you will need to enter the building through the main entrance on University. Other entrances will only be available on Sundays.

If you have any questions about all of this, please refer to our website at universitychristian.org/cornerstone.
