WAYS TO GIVE

Major Changes around the Church

This Sunday the *ONLY* way to enter the Sanctuary will be from the exterior doors. This will be a change from previous weeks. Our golf cart volunteers will be available to help transport you from and to your car on Sundays. Also starting this Sunday the entryway from the Sanctuary to the old Gallery will be closed

If you try to enter from the University Dr. porte-cochère entrance your normal route for getting around will be quite different. There is a temporary wall covering the front lobby access will be routed to the reception elevator. The lobby is currently closed.

Due to noise and work in and around the lobby area, our receptionist has been relocated to the third floor. If you need to meet someone in the building during the week, it would be a good idea to *make an appointment* so we can meet you to let you in and help you navigate where you need to be.

The Rogers entrance is still closed.

The chapel, tower, and Sanctuary entrances on University Dr. and Cantey St. will be available on Sundays.

Classrooms on the second floor are accessible through the North entryway on Sundays.

If you have any questions about all of this, please refer to our website at universitychristian.org/cornerstone.
