WAYS TO GIVE

Love your Neighbor

We are excited to announce a new campaign for wholeness and fighting divisions in our community called **"Love Your Neighbor"**. As a nation, we are more divided, less kind, more polarized than we have ever been, especially when it comes to politics and elections.

Love Your Neighbor is a grassroots movement launched by University Christian Church that will focus on actively modeling kindness, working toward inclusive community, and working to undo polarization.

The campaign includes a sermon series, seminars, videos and more. Find out more specific information at Universitychristian.org/loveyourneighbor or Loveyourneighbor.world. From there you see event schedules, participate in acts of kindness, download social media images and much more.

Pickup your **Love Your Neighbor** signs and more in the commons this Sunday.

Don't forget to participate in our Love Your Neighbor **'Day of Service'** Join your UCC family as we serve our community on October 5! There are many opportunities for all ages to make a difference in our community.

North Texas Giving Day

Thank you to all who donated to UCC's Children's Closet during North Texas Day of Giving! This important ministry will be receiving over \$13,000 as a result of the generosity of North Texans in our church and community. It's not too late to give! Visit northtexasgivingday.org to contribute.

A promotional graphic for North Texas Giving Day. The background is light blue with a white starburst shape in the center containing the words "Thank you" in a blue, cursive font. Text on the left includes "NORTH TEXAS GIVING DAY", "COMMUNITIES FOUNDATION", "SPONSORED BY", "Support Children's", and "September". A QR code is located in the bottom left corner with the text "Scan the QR Code Here to Start Giving". On the right, there is a photo of volunteers loading boxes onto a cart, with the website "northtexasgivingday.org" printed below it.

Volunteers Needed

Thursdays 5pm-7pm
September 12th - October 3rd

Visit our website at

to sign up to serve!

Construction Update

The main entrance by the porte-cochere is open again after a brief closure to remove flooring. There is still a passageway to the north elevator which then leads to the North 2nd floor classrooms. However the lobby itself is still closed.

Just a reminder that the most efficient way into the Sanctuary is from the outside entrances on Cantey St., University Dr., or from the Memorial Garden bell tower entrance.

We know that currently getting around the building is different and difficult and keeping our infrastructure working during this project has proven a challenge but thank you for your patience and understanding as we make UCC better for everyone.
