Love your Neighbor: 30 Acts of Kindness in 30 Days Day of Service October 5

Love Your Neighbor is a grassroots movement launched by University Christian Church that will focus on actively modeling kindness, working toward inclusive community, and working to undo polarization.

Starting in October we are launching the next phase of Love your neighbor with our 30 Acts of Kindness in 30 days campaign.

Our hope is that over the next month that everyone will do some act of kindness each day for your neighbors, colleagues, friends, family, and even random strangers.

For a list of possible acts for others and even a list for for families go to loveyourneighbor.world/act-of-kindness

Spread the kindness via social media via - tag *@ucctw* and use hashtag *#loveyourneighbor!* & *#30DaysofKindness*

You can then go to loveyourneighbor.world and record your act of kindness from the home page to help us keep track of how many acts are happening.

Don't forget to participate in our Love Your Neighbor 'Day of Service'

Join your UCC family as we serve our community on this Saturday, October 5! There are many opportunities for all ages to make a difference in our community.

Beware of email/text scammers

We've been made aware that a group of scammers that are impersonating church

staff members and asking for favors and ending in requests for purchasing various gift card. Please know that NO church staff will request purchasing gift cards via email or text. This is a scam. If you have any questions please contact our IT/Media Manager Jack Stewart at jack@uccftw.com

Construction Update

You've probably noticed we're having some roofing work being done. We are getting replacement tiles from damage taken last year. If there are taped off areas around the building please do your best to avoid those places.

On Sundays there is now a pathway available from the College Lounge and Southwest areas into the ramp behind the Sanctuary and into the commons.

Just a reminder that the most efficient way into the Sanctuary is from the outside entrances on Cantey St., University Dr., or from the Memorial Garden bell tower entrance.

We know that currently getting around the building is different and difficult and keeping our infrastructure working during this project has proven a challenge but thank you for your patience and understanding as we make UCC better for everyone.
