Love your Neighbor: A House United Seminar 10/19

Love Your Neighbor is a grassroots movement launched by University Christian Church that will focus on actively modeling kindness, working toward inclusive community, and working to undo polarization.

Did you miss your chance to get a T-shirt? Don't worry, we have more available in the commons area!

Don't forget your Love Your Neighbor sharables available from loveyourneighbor.world/resources. Download our shareable social media posts for Instagram and Facebook, and use them on your personal channels. Don't forget to tag @uccftw and include #LoveYourNeighbor!

As part of our Love Your Neighbor campaign, join us in the Sanctuary on Saturday, October 19th from 9:00am – 12:30pm for a **House United Seminar**. This seminar will be led by Rev. Dr. Allen Hilton, the founder and executive director of House United. We'll hear about the compelling, divine call to listen, collaborate, and build community across differences. In so doing, we become Jesus' whole

body. Childcare will be available. Register now through October 16th.

New Construction Update

Exciting news! We've secured occupancy permits for our next stage of construction. Check out our new Hard Hat Russ and Safety Vest Shannon video:

That means lots of new places are ready for us to move into including:

- The lobby/reception area is open from both the porte cochere and north entrances. The hallway from reception to the Sanctuary on the first floor is open as well. New lobby restrooms are open.
- The gallery in front of the sanctuary will be open to both the ramp and to the handbell/college lounge areas as well as the new commons.
- The south elevator and south stairwell are available for use.
- WDS south classrooms are moved back in and WDS started using their spaces this week!

As we move into these new areas please remember that construction is not fully complete and to pay attention to danger and construction signs.
